Funding to Support Genetic Disorder Charities Impacted by the Covid-19 Pandemic (UK)

In response to the Coronavirus, Jeans for Genes has announced that they will be focusing their latest round of funding on supporting genetic disorder charities across the UK to adapt, respond and recover from the effects of the pandemic.

In this round, unrestricted grants of £2,500 will be awarded to support charities that aim to improve the quality of life of children with genetic disorders.

To be eligible, charities must have an annual income of under £200,000 and be disorder specific or one whose beneficiaries are solely those with genetic disorders. They must also not have received a Jeans for Genes grant in 2020.

The fund will be open to applications between the 1st July 2021 and the 12th August 2021.

Jeans for Genes are holding two zoom Q&A sessions during the application window for potential applicants to learn more about the application process and for us to answer any questions you may have:

Tuesday 6th July: 10:30am – 11:30am

Tuesday 13th July: 1:30pm – 2:30pm

Please email danielle.singleton@jeansforgenes.org to take join the meeting.

Funding to Build the Digital & Financial Skills of Disadvantaged People (UK)

The Santander Foundation has announced the launch of a new £1.8million fund to support UK charities and CICs working to build people's digital and financial skills.

The Financial & Digital Empowerment Fund will award grants of up to £150,000 over a three-year period to twelve projects which help to equip disadvantaged people with the tools, knowledge and confidence to make better, informed decisions about money, and to help them achieve new opportunities for employment and education.

This could include lone parents, single pensioners, migrants and refugees, those with long term illnesses and disabilities, those struggling to find sustained employment, and households headed by students or part-time workers.

To be eligible, the applicant organisation will have to have a minimum annual income of £75,000.

The deadline for applications is the 13th August 2021.

Funding to Improve the Lives of Vulnerable Young People (UK)

Grants of up to £2,000 are available to support the needs of vulnerable children and young people who have experienced a recent crisis or change in life that has had a significant impact on their social and emotional wellbeing and their education.

The funding is being made available through the Buttle UK's Chances for Children Grants. Support might include items and activities to support learning and development such as laptops, books, wi-fi, educational toys, tuition, etc; clothing and school uniforms; and social, sporting and leisure activities; and items for children/young people's bedrooms.

Buttle UK will only accept applications from frontline professionals (from a registered charity, housing association or public sector organisation):

- who are working directly with the children/young person
- ideally, have carried out at least one home visit
- and have made a full assessment of the children's or young person's needs

Applications can be made at any time.

Funding for Projects that Support Disadvantaged Young People (UK)

Grants of over £10,000 per project for up to three years are available through the BBC Children in Need Main Grants programme for projects that work with young people who are experiencing disadvantage through illness, distress, abuse or neglect; any kind of disability; behavioural or psychological difficulties; and / or living in poverty or situations of deprivation.

The grants are available to:

- Community interest companies (CIC) limited by guarantee
- Companies limited by guarantee (CLG) including social enterprises
- Housing associations
- Registered charities
- Religious institution
- Special schools

In the case of special schools this must not be for work that they have a duty to fund.

The grants can be used for:

- Project delivery (Including staffing and salary costs)
- Creative solutions to deliver much needed services
- Organisational costs to support stability and adaptation. (Including the day-to-day running costs of an organisation as opposed to specific project costs)

All applications will have to show how this funding will make a difference to children and young people's lives during this crisis.

Applications are not limited to one specific project and a request can be made for organisational running costs.

The maximum grant per year is £40,000. BBC Children in Need make very few grants over £100,000 over a three year period.

The next deadline for applications is 11.30 am on the 23rd August 2021.

For any questions, please contact us on 0345 609 0015 or by emailing pudseygrants@bbc.co.uk

BBC Children in Need also have a [small grants programme](#) for grants of up to £10,000. This will open for applications on the 16th August 2021.

Local Connections Fund Re-opens for Applications (England)

The National Lottery Community Fund has announced that round 2 of the £4 million Local Connections Fund has re-opened for applications.

The Local Connections Fund provides grants of £300 - £2,500 to small, local organisations (with an annual income of £50,000 or less) that are working to reduce loneliness by helping people build connections across their communities.

Round 2 will focus on:

- activities that physically bring people together in a safe and secure way
- remote activities (when this is the best or only way for people to build connections) - for example, remote activities may benefit people who are geographically isolated, people with illnesses or disabilities, or those who are not quite ready to meet people in face-to-face settings
- helping individuals to get out of the 'lockdown mentality' and meet people in their communities again
- helping organisations who work to reduce loneliness restart their activities - for example, cleaning and refreshing meeting spaces or refreshing materials, and ensuring equipment is ready to be used.

A total of £2 million is available in this funding round.

The grants can be spent on:

- staff salaries
- volunteer expenses
- management costs
- monitoring and evaluation
- overheads
- general project costs
- small items of equipment, like a laptop.

Organisations that received funding in the first round, will not be eligible for funding in the second round.

The closing date for applications is 5pm on the 6th August 2021.

Defra Launches Farming in Protected Landscapes Grant Scheme (England)

The Department for Environment, Food and Rural Affairs has launched a new grant scheme to support farmers and land managers in England's forty-four 'protected landscapes' in England (National Parks, Areas of Outstanding Natural Beauty and the Norfolk Broads).

The Farming in Protected Landscapes scheme will fund infrastructure or activities that deliver on at least one of four themes -

- climate,
- nature,
- people
- place.

Each of the forty-four protected areas will be allocated a budget and will be responsible for assessing and awarding funding for projects.

Examples of potential projects could include actions to reduce carbon emissions on farms, conserving historic features on farms, or promoting connectivity between habitats. Individual or joint applications may be submitted.

This round will be open to applications between the 1st July 2021 and the 31st January 2022.

Funding for Cycle & Scooter Facilities in Schools and Nurseries (Scotland)

Local authorities can apply for funding for the installation of cycle and/or scooter parking facilities in schools and nurseries based in Scotland to encourage young people to cycle or scoot, and to help reduce traffic congestion at the school gates.

Through the School Cycle and Scooter Parking Fund, applicants can apply for a maximum of £10,000 per school to cover the costs of materials, delivery and installation for facilities such as

- individual cycle stands
- shelters
- cycle lockers
- secure storage
- and scooter parking.

A proportion of staff time spent on the project may also be claimed.

In exceptional circumstances applications of more than £10,000 will be considered. A minimum of 50% match funding is required.

The deadline for applications is the 27th August 2021.

East Midlands Airport Community Fund Opens for Applications (East Midlands)

The latest round of the East Midlands Airport Community Fund is open to applications from communities around East Midlands airport. Charities, community groups and other not-for-profit organisations can apply for grants of up to £2,000 for projects that have a long-lasting community, social or environmental benefit.

In order for an application to be successful, it must meet at least one of the following objectives:

- provide help to community groups which are supporting vulnerable people during the Covid-19 outbreak;
- bring the community closer together through facilities for sport, recreation and other leisure-time activities;
- support young people to prepare for employment;
- offer environmental improvement and/or heritage conservation;
- improve awareness of environmental issues;
- and encourage and/or protect wildlife.

The next closing date for applications is the 20th September 2021.

East Midlands Academic Health Science Network - Patient and Public Involvement Fund (East Midlands)

The East Midlands Academic Health Science Network (EMAHSN) have launched their annual patient and public involvement fund, offering 15 awards of £1,000 to successful groups in the region.

This funding is aimed at East Midlands health, social care, charities, voluntary and third sector organisations and groups, who want to involve patients and citizens in research and healthcare. EMAHSN welcome applications that encourage patient and citizen involvement in health and care innovation, transformation and improvement. Particularly welcome are applications that demonstrate the involvement of seldom heard and underserved communities.

Applications for the awards will be considered by a panel including representatives from the East Midlands Patient Public Involvement Senate, an independent group of patients and carers with varied health and service user experience. The Senate support health and social care organisations to embed patient and citizen involvement across the region.

Applications to the scheme are now open. The deadline for applications is midnight on the 11th July 2021. If groups would like support with their application or further information, they can email emma.coates@nottingham.ac.uk

Funding Reminders

Funding for Projects that Combat Abuse and Violation of Human Rights (UK)

UK-registered charities that work towards combating abuse and violations of human rights can apply for grants of usually between £10,000 and £20,000 through the A B Charitable Trust. The A B Charitable Trust (ABCT) was set up in 1990 and supports unpopular causes that champion human dignity and to focus on small and medium-sized charities working close to the ground.

Applications are particularly welcomed from charities working to support:

- migrants, refugees and asylum seekers
- criminal justice and penal reform
- human rights, particularly access to justice

The Trust generally makes one-off grants to charities registered and working in the UK with annual incomes of between £150,000 and £1.5m that do not have substantial investments or surpluses. Grants range in size, with most grants awarded being in the range £10,000 to £20,000. ABCT does not normally fund charities with large national or international links.

The next closing date for applications is the 31st July 2021.

War Memorials Grant Scheme (UK)

The War Memorials Trust is providing grants for the repair and conservation of free-standing war memorials in England.

These grants are intended to help those who are responsible for the upkeep of war memorials. The grants support the care and preservation of war memorials to a high standard, and to prevent the decay of this important part of our built heritage. Grants will normally be for between 25% and a maximum of 75% of eligible costs. The maximum grant is £5,000 for non-freestanding war memorials while freestanding, non-beneficiary war memorials may be considered up to a maximum grant of £30,000.

The fund is open to anyone to apply; individuals or organisations, including councils. The next closing date for applications is the 31st July 2021.

Funding for Projects that Provide Young people with the Skills the Need to Succeed in a Post Pandemic World (Republic of Ireland and Northern Ireland)

Youth-orientated non-profit groups on the island of Ireland can apply for grants of either €5,000, or €10,000 for projects that support and inspire young people (16-25 years old) to develop the skills they need to succeed in a post pandemic environment.

The funding is being made available through the Coca-Cola Thank You Fund and a total of €100,000 is available during this funding round. Entries must cohere to one or more of the following three categories:

- Educational, Training, Resilience Programmes for Young People;
- Programmes that support diversity and inclusivity in young people;
- Programmes that take an innovative approach to demonstrating sustainability to young people.

As part of their submission applicants will be asked to include a 50-word summary of their project, with the 20 shortlisted organisations' summaries posted on www.coca-cola.ie/thankyoufund and eligible for the 'The People's Choice Award.' This award will be voted on by the public and the winning organisation will receive an additional €5,000 in funding for their project from the Coca-Cola Thank You Fund.

The closing date for applications is the 16th July 2021.
