<b>Bo'ness Community Response</b>	Community support and partnership working	Support the local communities through COVID-19 to: - make its own individually tailored street and neighbourhood responses and offer strategic support on how to do this – we believe each neighbour knows their own community the best and thus are best placed for an effective response	<a href="#">Facebook</a> (private group; joining required)	<a href="#">Bo'ness Community Response</a>	Gilly Macwhirter	<a href="mailto:bonesscvirus@gmail.com">bonesscvirus@gmail.com</a> 07850855608

- distribute information and resources, ensuring this gets to the people who need it in the form mode most accessible to them
- source and distribute health guidance
- act as central point of contact and conduit of information, streamlining and preventing people from feeling overwhelmed
- gather information from the community to help inform decision-making (including foodbank shortages, prescription issues, access to food)
- act as a point of contact for local public services such as Community Health, Community Police etc.
