

Tapatalk Instructions

Tapatalk is an App you can download on your phone or tablet in order to access CVS Falkirk's online forums.

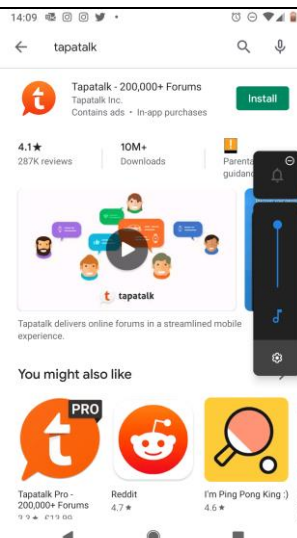

You can use this App to continue a discussion relating to the Reuse network which grew from the first Reuse discussion on the 18th December.

Go to your app store

Search for Tapatalk on your app store and click open

Install

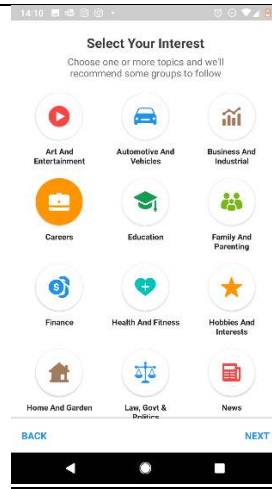

Open the App

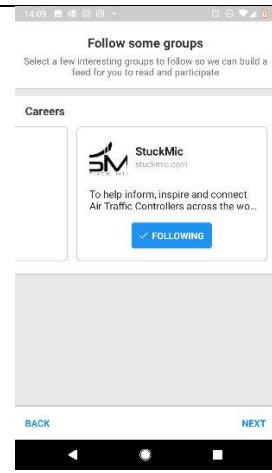

Click get started

Choose at least one topic (this can be deleted later)

Follow some groups (You can skip in top right hand corner)

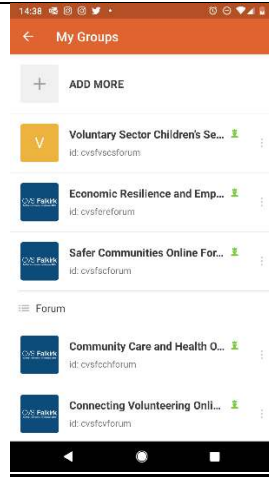

Log in

Input email and password you would like to register to access Tapataalk

That should be you registered now

Search for Falkirk Reuse Network

Details for Forums on Tapataalk

- **Reuse Network Group**
