

*Some key documents you may want to refer to are:*

European Guidelines for Digital Youth Work (contains definition): <https://www.youthlinkscotland.org/media/3870/european-guidelines-for-digital-youth-work-web.pdf>

Digitally Agile National Principles: <https://www.youthlinkscotland.org/media/3531/digitally-agile-national-principles-web.pdf>

*The padlet, to which you can add any practice you would like to share is here:* <https://padlet.com/lgreen40/ScotlandOnlineYW>

*Resources specific to your workshop:*

#### **Links from chat**

<https://www.ldw.org.uk/project/coronavirus/>

Link to the Wales 'Easy Read' site which has easy to read guides on how to use zoom (scroll down to 'Easy Read guides to technology and staying connected online' and you'll find several zoom docs)

<https://cool2talk.org/>

Project that supports young people outwith social work hours (in relation to having 'overnight workers' discussion) (My notes are a bit befuddled - I have both Dumfries and Galloway as well as 'Geoff in Falkirk' so I can't remember which this is the correct link for - apologies on my poor notetaking)

<https://www.awardsnetwork.org/awards/glasgow-kelvin-college/community-achievement-award>

Some youth work links which are relevant

[https://www.salto-youth.net/downloads/toolbox\\_tool\\_download-file-1430/VF-cookbook-web.pdf](https://www.salto-youth.net/downloads/toolbox_tool_download-file-1430/VF-cookbook-web.pdf)

Visual Facilitation Cookbook

<https://www.youthlinkscotland.org/media/4491/safeguarding-checklist-for-online-youth-work.pdf>

YouthLink Scotland Safeguarding Checklist for Online Youth Work

<https://www.digitalyouthwork.eu/>

Fantastic good practice videos and downloadable/adaptable training materials (where you can find all of the development and counselling materials)

<https://www.facebook.com/groups/digitalyouthwork>

Facebook group Dana set up

<https://padlet.com/lgreen40/ScotlandOnlineYW>

Padlet page which has a lot of digital youth work resources (available for download but you can also upload relevant materials you might find)

<https://www.thinkuknow.co.uk/>

National Crime Agency/Child Exploitation and Online Protection website which has lots of great materials around keeping safe online, sexting, grooming, etc

<https://young.scot/campaigns/national/5rights>

Scottish portal for the 5Rights campaign (youth voice in digital youth work)

<https://www.net-aware.org.uk/>

[http://www.digitup.cloud/wp-content/uploads/2017/12/Ang\\_DIG\\_ITUP\\_2017.pdf](http://www.digitup.cloud/wp-content/uploads/2017/12/Ang_DIG_ITUP_2017.pdf)

training/resource materials called Dig It Up: A model for a training course aimed at creating pedagogical and digital bridges between youth workers and young people

<https://www.youthlinkscotland.org/covid-19-guidance/digital-online-youth-work/online-youth-work-webinar-series/>

YouthLink's webinar series (focuses on different platforms; some have been done and are on their YouTube channel and others are still being planned)

There will be more resources being added to the padlet and the COVID-19 section of the YouthLink Scotland [website](#). Also lots going on under #DigitalYouthWork on twitter.
