### **About Us**

Kingdom Support & Care provide high quality and personalised support and care designed to meet individual needs and desired outcomes. We provide support to individuals in the community, including those with: learning disabilities, autistic spectrum disorder, complex needs, mental health issues, physical disabilities, substance misuse and alcohol related brain injuries as well as age related needs.

### **About the Role**

In this role, you will be an integral member of the support team contributing to working in a fast paced environment, working to deadlines, chairing meetings, liaising with families, social work and health professionals and ensuring a high quality of care and support for individuals with physical disabilities, mental health issues, and learning disabilities and challenging behaviour.

You will assist the Coordinator in the day to day running of the service and you will line manage a team of support workers.

### **About You**

We are looking for a passionate, enthusiastic and dedicated individual who has the desire to want to support people to have the best life possible. If you have two years experience in a Support and Care setting and hold an SVQ 2 qualification in Care or a related field in line with the SSSC registration criteria this could be an opportunity for you.

You must be able to support and be flexible in your approach to work and it is essential that you are able to work a rota which will include shift work.

### **The Benefits**

- Competitive pay
- Full funding and support towards an SVQ qualification in Care
- Generous annual leave entitlement
- Sleepovers paid at £74.40 per sleepover
- Enhanced entitlements for other types of leave
- A free, confidential employee counselling service
- Discounted gym membership

### **Requirements**

- A current driving licence, business insurance and the use of a car for work purposes are essential.
- This post is subject to a PVG Disclosure check. The cost of membership is borne by you.

The successful candidates will be required to register with the SSSC and complete SVQ 3 within 2 years of starting employment and a Professional Development Award (PDA) in supervision. Please note: you must hold an SVQ 3 in Care or a related field to meet the qualified point on the salary scale.
