

Would you like support with skills training or help in finding a job?

Falkirk Council Employment and Training Unit (ETU) may have access to exactly what you're looking for.

Our team of specialist advisors are available right now to help you with:

- Career options that are right for you
- Accredited training and Modern Apprenticeships
- Updating your skills, getting you ready for that next job
- Finding employment options that work for you and your circumstances

To be eligible for any of this support, all you need to be is:

- Aged 16 to 67 years and eligible to work in the UK
- Unemployed or working less than 16 hours a week, or a parent in work who wants to develop their career
- Not engaged in any Further or Higher education or any other National Training Programme

If any of this sounds like you, then contact us right now on 01324 504408 and let us help you make those positive next steps towards work.
