

Winter Festival Weekend  
Volunteer Call Out

Camelon Winter Festival is heading into the heart of Camelon this year, bringing its wonderful mixture of Christmas cheer to Kemlin, whilst being Covid secure. Yes, there will be rules, but the festival group volunteers and Camelon Arts will still be sprinkling Camelon communities with as many magic moments as possible, at the required distance and with care and attention paid to the smallest detail, to make this Christmas one to remember for the right reasons. BUT to do this we are going to need your help!

Winter Festival Weekend General Volunteer Role:

**1. Flyer Distribution**

We need help distributing all the flyers for the Winter Festival Weekend across Camelon and Tamfourhill. In the lead up to the event, we will need many feet on the ground to deliver up to 3000 flyers across the area. If you are interested in supporting this get in touch, We will ask what area you stay in and arrange a suitable street or number of streets to be ticked off from the list! Whether you are up for delivering 15 or 500 let us know!

**When: from the week beginning 16 November onwards**

**Number of volunteers: as many as possible**

The Big Screen Volunteer Roles:

Camelon Arts are excited to be working with the Camelon Winter Festival Weekend to present The Big Screen! Over the weekend of Saturday 12th and Sunday 13th December, a traveling LED video screen will tour through the residential streets of Camelon and Tamfourhill. The mobile screen will be mounted on a van which will slowly make its way through the streets and stop at key community locations with safe and controlled viewing areas. The Big Screen will be showing messages of festive joy, a special seasonal appearance from local singer songwriter Dionne Hickey and three inspiring videos made with creative residents.

We are looking for volunteers to help support the planning and running of the event. We have a few ways you can get involved with the project:

**2. Big Screen Packs Distribution**

100 Big Screen Packs will be delivered to people's doors (via email sign up). The packs will include 'Screening Snacks' (a bag of Propercorn and a hot chocolate stick), a Big Screen programme and a fun lantern creative challenge! We will need volunteers to help us distribute these to the residents who have booked a place the week before the event.

**When: from the week commencing 7th December**

**Number of volunteers: 2-6**

**3. Stewards**

We have got to make sure the show goes on this festive period, but it is vital that we do this safely and responsibly! We are working hard to ensure this event will be safe and comply with all current restrictions and guidelines. As part of this we need to ensure no uncontrolled crowds gather and that people are able to watch the screen in a safe way. On each day we will have 4 stops at pre-planned locations around the residential areas of Camelon and Tamfourhill. We will need 3 volunteer stewards at each stop to ensure social distance is maintained and that only joy (and not COVID) is being spread! All PPE will be provided on the day and there will be a safety briefing in advance.

**When: Saturday 12th December - shifts: 12pm - 2pm and/or 3:30pm - 7pm,**

**Sunday 13th December - shifts: 12pm - 2pm and/or 2:30-6:30pm**

**Number of volunteers: 3 per shift - you can sign up to multiple shifts so let us know your availability and how much time you wish to volunteer!**

**We really appreciate any time you can volunteer to help sprinkle some cheer across Camelon and Tamfourhill during what will be a very different festive period for all of us. Please get in touch with Mina & Mark at [camelonarts@artlinkcentral.org](mailto:camelonarts@artlinkcentral.org) if you are interested in information about any of the above roles.**
