The Professionals Information Afternoon is an ideal way for Professionals who come into contact with unpaid Carers to find out about the Carer Centre in Falkirk and Clackmannanshire. Find out how we can work with you, to help to support unpaid carers in their caring role, to have better outcomes for the cared for person, the carers and service providers. It is also an opportunity to meet some of the team, ask questions and find out about or simply update your knowledge about the range of services we provide. (It is also ideal for students on placement to attend)
