Falkirk Plan: Theme 5: Gender-Based Violence:

1. Interventions for those experiencing, or at-risk of domestic abuse are early, effective, and inclusive.
2. Victims of domestic abuse receive a joined-up offer of help until they are supported to safety.
3. Front line staff have an increased awareness of issues related to gender-based violence.
4. Men who carry out violence against women and girls are identified early and supported to change their behaviour.
