### Who will benefit from this course?

The Approaches to Trauma Informed Practice course is a Professional Development Award (PDA) designed to help candidates gain knowledge and understanding of trauma, the causes and the impact of trauma on the individual. Delivered by our experienced trainers, candidates will consider the importance of being an informed practitioner in supporting individuals who may be affected by trauma and explore both therapeutic and organisational approaches to trauma.

### What will you learn?

- Day 1 & 2 – What is Trauma
- Day 3 & 4 – Childhood Trauma
- Day 5 & 6 – Therapeutic Approaches to Trauma
- Day 7 & 8 – Organisational Approaches to Trauma

### What will you gain?

On successful completion of the course, you will gain an SCQF Level 7 qualification.

### How will it be delivered?

Over eight face-to-face sessions, candidates will be assessed via self-directed work and assessments delivered within the course sessions. Ongoing support is available throughout the course.

All our sessions involve a mix of content, discussion, and interactive activities.
