### Opening of the SCYAP Biodiversity & Community Arts Project

The official opening Celebration of the Safer Communities Youth Action Projects (SCYAP) Camelton Railway Station Biodiversity & Community Art Project will take place at 12 noon on Wednesday 16<sup>th</sup> July on the footbridge leading from Nailer Road onto Camelton Railway Station. This Community Arts Project is a collaboration led by SCYAP and supported by both Scotrail and Network Rail Scotland. The mural on the bridge and the totem pole installations were developed and designed by young people from P7 at Carmuir's Primary School and members of the SCYAP Youth Action Group.

### Active Travel Event:

The day will then continue from 1pm to 4pm at the nearby Nailer Road Park with an Active travel Event which is open to all the community. (To take part in the activities youngsters under 10 years old must be accompanied by a responsible adult 16+ years old) The Active travel Event is linked to our young person led Community Climate Action Plan and was a recommendation of the SCYAP Climate Action Events which took place in February and March this year and involved over 80 local young people.

The Active Travel Event will include the following:

- Cycling Without Age will provide guided rides on their Trishaws from 1pm-4pm in Nailer Road Park.
- Forth Environment Link will provide rides on their adapted bikes from 1pm-4pm in Nailer Road Park
- Forth Environment Link will provide a led walk departing from Camelton Railway Station at the conclusion of the mural opening: approx. 12.30pm
- The Falkirk Wheelers will provide inline skating at Nailer Road Park 1pm-4pm
- Falkirk Council Energy & Climate Change Team: Information stall all day in the park
- SCYAP Design your own plant pot, fun football led by our community coach & Snacks and drinks. 1pm-4pm in Nailer Road Park.
