

Health and Social Care Workers Flu Vaccine Drop-in Clinics

Experts are warning that the UK could be facing its worst flu season in a decade and recent data from Public Health Scotland is showing an increase in hospital admissions in Scotland, reflecting an earlier and unusually high level of flu activity.

Getting vaccinated is the safest and most effective way to protect yourself, your colleagues, patients, and your family and friends. All Health and frontline social care workers are eligible for a flu vaccine this winter.

Details of local health and social care workers drop-in vaccine clinics are listed below along with local pharmacies across Forth Valley offering winter vaccinations, including the flu vaccine.
