

# Care at Home Falkirk

The British Red Cross is a registered provider under the Care and Support at Home Falkirk Framework.

# Introduction

The **British Red Cross (BRC)** has been **supporting** health and social care systems since the NHS was established.

We are **trusted** by the **people we support** and organisations we work with. We have a **strong track record**, a national infrastructure, combined with our responsiveness and local flexibility to ensure the **highest quality services**.

We are focused on health equity by **improving access to care** and **support** for those experiencing the greatest barriers to improved health and wellbeing.

# Care at Home (C@H) Falkirk Provides
