

The Village

A warm, empowering community for care experienced parents who are expecting or caring for a child aged 0–5

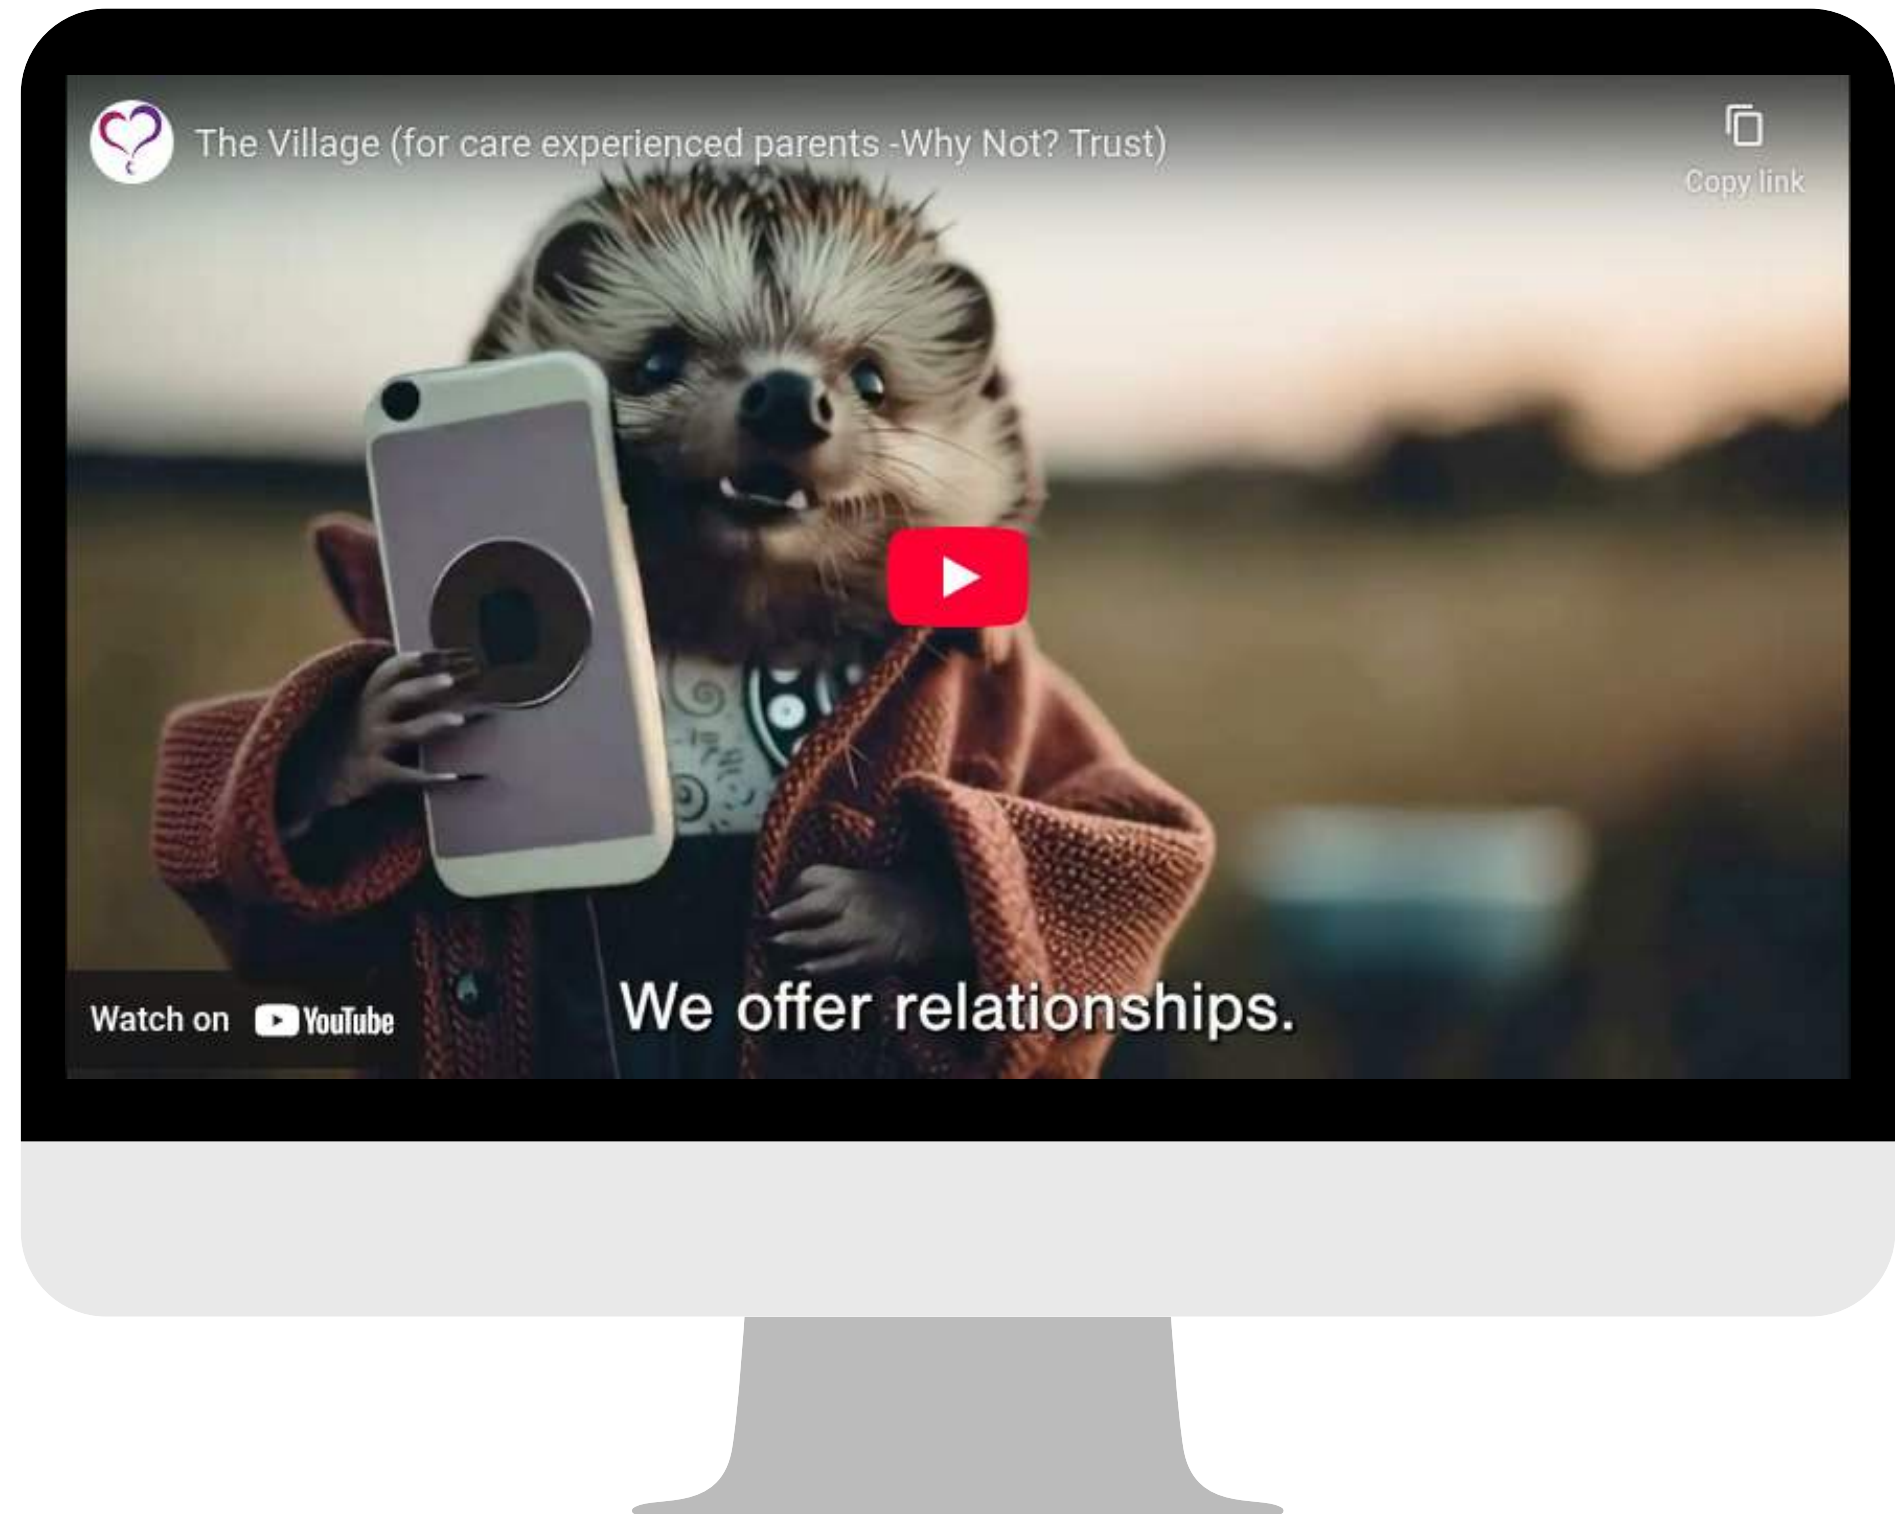

THE VILLAGE

We focus on community connection – helping parents build social networks and trusted relationships with others who understand care experience. We aim to reduce isolation, grow confidence, and strengthen belonging during early parenthood.

WE AIM
TO
EMPOWER

.. No assessments, no formal processes, just safe and relaxed support.

IMPACT

115 parents welcomed into The Village over the last year.

30-40 parents / families are provided with one-to-one support each week.

£17,195 saved by or awarded to villagers between August 2024 and May 2025.

100% of parents say they know there is always someone there if they need support.

87.5% of parents say they were connected with new supports or opportunities.

Over half of parents say they have made new friends through The Village.

"Thank you so much ladies for being so amazing and supportive, for years i've prayed for an organisation like this"

"I HAVE MADE SO MANY FRIENDS.. I HAVE FOUND MY VILLAGE"

"The Village is a place I feel valued and accepted"
